Selected Bibliography

DINOSAURS TO DRAGONS: The Lore and Science of Mythical Creatures

by Elizabeth Shreeve

Atheneum/Simon & Schuster, July 21, 2026

Illustrations by Violeta Encarnación

The following bibliography includes selected references consulted for *Dinosaurs to Dragons,* including general references and those relating to a particular chapter. I've highlighted a few that may especially appeal to kids or teachers.

*For young readers (including children's books)

**For classroom use (please see www.elizabethshreeve.com for other resources)

Please feel free to contact me with questions at shreevebooks@gmail.com. Enjoy!
